About SFIMAR

St. Francis Institute of Management & Research (SFIMAR) was established in 2002 by "The Society of the Congregation of Franciscan Brothers" to impart quality education in the field of Business Management. It is recognized by AICTE, New Delhi and has been granted permanent affiliation by the University of Mumbai. SFIMAR is Grade 'A+' (Second Cycle) accredited by National Assessment and Accreditation Council (NAAC) and is recognized under Section 2 (f) & 12 (B) of UGC Act 1956. It is also ISO 9001:2015 Certified by DNV (Det Norske Veritas). The courses conducted at SFIMAR campus are in a state-of-the-art infrastructure environment with Air-Conditioned Classrooms, Computer Labs, Conference Halls, Library and Other Amenities. A core team of experienced and qualified faculty member deliver various courses to the students. Additionally, experienced professionals from various industries are invited as Eminent Speakers/Guest Faculty to provide practical orientation to the application of management principles in various fields. SFIMAR believes in the overall development of students and runs several Personality Development Programmes. SFIMAR also provides its students additional certification Programmes such as, Alternative Investment Industry, Project Management, National Institute for Securities Markets (NISM) Mandatory Programmes, CIMA, Digital Marketing, etc. which improves their knowledge and employment prospects. SFIMAR has a very active Placement Department which assist students in achieving appropriate placements and has a track record of almost 100% placement for the past several years.

The courses conducted at SFIMAR campus are in state-of-the-art infrastructure environment with Air-Conditioned Classrooms, Computer Labs, Conference Halls, Library and other Amenities. A core team of experienced and qualified faculty and research scholars bear the responsibility to impart knowledge to aspiring students at SFIMAR.

A right blend of Industrialists and Academia from various organizations, are invited to professionally train our students. Interaction with eminent personalities in their respective field is a continuous activity at the Institute.

Vision

To flourish as a seat of learning of international standards for developing an entrepreneurial class of value-based industrial leaders empowered with techno-managerial competence to sustain innovation for building global business of the future.

Mission

To enter the realm of globally successful B-schools by imparting value-based education for creating responsible and thoughtful citizens who would lead the world by example and excel through innovation, an entrepreneurial spirit and a humanitarian attitude.

Quality Policy

SFIMAR is committed to the endeavour of transforming students into Global Leaders by continual improvement in its services through a student centric approach, innovations in our pedagogy and rigorous selection, development and up-gradation of its faculty while meeting the regulatory & statutory requirements.

From the Desk of The Chairman

Bro. Alphonse Nesamony Chairman

"Keep a clear eye toward life's end. Do not forget your purpose and destiny as God's creature. What you are in his sight is what you are and nothing more. Remember that when you leave this earth, you can take nothing that you have received ... but only what you have given: a full heart enriched by honest service, love, sacrifice, and courage."

--- Saint Francis of Assisi

I am honoured to address our valued industry partners, who have been instrumental in recognizing the untapped potential and abilities of our management professionals on their journey of education and career development. In addition to our creative and innovative teaching methods, our students have had extensive opportunities to engage with top-tier industry leaders, both on and off-campus. This has allowed them to bridge the gap between their academic learning and the real-world best practices of the industry.

Our commitment to enhancing their learning experience extends to various industry-focused certification programs and the latest technological knowledge. Our students spend two years honing their leadership and interpersonal skills, receiving continuous guidance, and developing essential life skills, attitudes, and behaviours.

We offer a rich variety of student-led events, community service initiatives, clubs, experiential training, well-being sessions, yoga, meditation, sports, industry visits, internships, live projects, research competitions, art performances, intercollegiate events, and international exposure. These experiences shape and transform our students for the greater good.

Our alumni, who are active in various industries, significantly contribute to the growth and development of our students through alumni engagement activities. They provide insights into business models, start-ups, innovation, and entrepreneurship. Additionally, we have established scholarships and awards to recognize and celebrate outstanding achievements among our students and alumni.

Our institute is proud to have a dedicated and well-qualified faculty and staff who guide and mentor our students as they work toward their life's purpose. While most students aspire to secure excellent positions in established companies, we consistently support them in setting and achieving their goals. Our motto is clear: "Develop your full potential for the service of others and your own well-being."

It is worth noting that our institute holds the prestigious NAAC A+ accreditation, and our 'Masters in Management Studies' program is NBA accredited. We have witnessed remarkable growth since our inception two decades ago, and we owe much of our success to the continuous opportunities provided by industry partners and recruiters who have absorbed our talented management professionals into their organizations. We extend our heartfelt gratitude and best wishes to all.

From the Desk of Director - MMS

Dr. Shalini Sinha
Director - MMS

St. Francis Institute of Management & Research (SFIMAR) was established in the year 2002 under the auspices of "The Society of the Congregation of Franciscan Brothers." Its primary mission was to impart high-quality education in the realm of Business Management. SFIMAR holds recognition from the AICTE in New Delhi and boasts permanent affiliation with the University of Mumbai. Notably, SFIMAR is awarded an impressive Grade 'A+' (Second Cycle) accreditation by the National Assessment and Accreditation Council (NAAC). Additionally, it holds recognition under Sections 2 (f) & 12 (B) of the UGC Act 1956. This distinguished institution has also attained ISO 9001:2015 certification as a testament to its excellence in business education. For further insights into SFIMAR's distinguished offerings, we invite you to explore our website at www.sfimar.org.

We cordially extend to you a warm welcome to St. Francis Institute of Management and Research (SFIMAR) as we open our doors to recruit students for our flagship program, the Master of Management Studies (MMS). It is indeed a matter of great pride for all of us to declare that SFIMAR stands among the most sought-after institutions for the acquisition of managerial knowledge and skills. The Master of Management Studies (MMS) program is meticulously designed, encompassing a rich ecosystem of activities that span academic, extracurricular, and co-curricular realms. This holistic approach includes the teaching-learning process, a robust Industry-Institute Interface, weekly Guest Lectures, and vivacious discussions to enrich the conceptual landscape. In addition, regular group discussions, mentoring sessions, and various club, forum, and event-based activities contribute to a comprehensive learning experience.

The MMS program is grounded in two fundamental objectives. First, it aims to equip students with the skills and knowledge necessary for their desired employability status. Second, it nurtures the entrepreneurial spirit within them. Above all, the overarching goal is to bring about genuine transformation in each student, moulding them into socially responsible citizens.

As the MMS program enters its 22nd year, it stands as a testament to its evolutionary journey, leaving an indelible mark on the student community. Various skill development certification programs, such as Youth Leadership and People Skill (YLPS) in collaboration with the Tata Institute of Social Sciences (TISS), Securities Market Skill in association with the National Institute of Securities Market (NISM), Digital Marketing, HR Functions, Investment Banking, and Financial Management, to name a few, provide students with a competitive edge. These add-on skill programs set our students apart in the market. Many of our graduates proceed to embark on new business ventures or choose to pursue higher studies or permanent residency abroad.

At SFIMAR, we offer our solemn assurance that students recruited from our institution will be valuable assets to your organization, propelling it to new heights of success.

From the Desk of Director - PGDM

Dr. Sulbha Raorane
Director - PGDM

We at SFIMAR (PGDM) believe in Dedication, Determination, Discipline & Efforts. Our students are groomed keeping in mind the current needs & challenges of the corporate work environment. Our syllabus, academic inputs & corporate lecture series enable building foundation & thought process for a successful Corporate Career.

This two-year Post-Graduate Diploma in Management (PGDM) is an innovative management programme consisting of 6 Trimesters. It is duly approved by AICTE, New Delhi and DTE – Government of Maharashtra. The Three-Dimensional Programme incorporates 'Functional Electives', 'Sectorial Electives' and 'Transformational Leadership'.

The Functional Electives offers areas like Finance, Marketing, HRM, Operations and Systems. Sectorial Electives covers Financial Markets, Banking, Retail Management, Advertising & Public Relations, Global Business, Entrepreneurship and Urban Infrastructure Management. The three-dimensional programme is developed and designed in synergy with industry and academic think-tanks and vouch for relevance and rigor in management education.

The Summer Internship offers 'Experiential Learning' for the duration of 8 to 10 weeks and extended industry immersion in the form of Industry-Based Project Work are one of the hallmarks of this programme. The Final Trimester reaffirms 'learning by doing', wherein students invest around 8 to 12 weeks that translates into 200 hours in the company.

The Career Management Centre (CMC) at SFIMAR (PGDM) gives utmost importance to assist its students in getting suitable placements after the successful completion of their studies. CMC ensure that every student get the right skill & domain knowledge so that they are easily acceptable to the industry. The department organizes activities and workshops that enable students to be effective team leaders as well as team players.

The institute also develops the teaching faculty by conducting FDPs by highly experienced and qualified industry and academic professionals who regularly guide in improving the teaching methodology, course content development as per industry requirement to ensure updated and required academic delivery.

We would like to thank industry professionals for their constant support & cooperation extended to SFIMAR (PGDM) & look forward to strengthening the relationship in the years to come.

Sreeraj Nair Training & Placement Officer

Dear Industry Partner,

Warm greetings from SFIMAR, and Career Management Centre (CMC), our Training & Placement unit.

This year, the market is resiliently waking up from the post-pandemic slumber, thanks to the exciting developments at the national platform. The success witnessed in India's Chandrayaan-II Lunar South Pole mission, impressive conclusion of G20 summit hosted by India, we believe, have raised the bar for all the sections of the society. Combined with the largest young working population of the world in India, the emerging scene is a classic cornerstone.

SFIMAR too have been in a dynamic journey of 2 decades adopting, revising, and evolving as we progressed delivering 2 key full-time management programmes, Master of Management Studies (MMS) and Post Graduate Diploma in Management (PGDM). SFIMAR had been adjudged the 'Best Educational Institute Award 2023', by Business Connect this year, a pointer to the popularity of the institution amongst the students in the western suburbs of Mumbai. Originally, SFIMAR is a part of the 122 years legacy of Congregation of Franciscan Missionary Brothers, imparting quality education in India.

The curricular & co-curricular development models in practice, emphasis on experiential learning through various student driven programs, exposure to various competitions are some of the key drivers for this impressive student preference. NAAC A+ grade, conferred to less than 10% of the applicant institutes PAN-India, and NBA accreditation resonates our strong commitment to academic quality and delivery, engaging the best teaching resources from the academia.

SFIMAR provides a battery of structured, value-added sessions and certifications for our students. Student Skill Development Programs are one such initiative loaded with many industry bridge and readiness programs which illustrates a marked increase in their competency. Further, specially designed Industry-Institute Interface events better the scope of acclimatisation for students. Internship program is not just any other regular event at SFIMAR, instead we elevate the entire delivery with our annual 'Summer Xcellence' competition which improves the competency, capability and involvement of the participants, whose finale are adjudged by industry veterans. CMC also actively pursues tailored-module sessions to supplement industry ad-hoc requirements. In addition to continuous improvisations of programs, our focus has been to re-invent the way it is better delivered.

Beyond the skill and competency development, SFIMAR also hosts an ecosystem where discipline and integrity form a distinct framework for activities designed, celebrating ethical values. This goes on to contribute greatly to the students' further development and positive impact on their future organisations. This also helps set pragmatic, and sustainable aspirations of the professionals.

We have had more than 130 reputed companies who were keen on our talent pool. Analysing the feedback, we realise that our impressive senior Alumni network have also contributed to the is enviable position, the growth therefore is organic and original.

The Career Management Centre, with our dedicated team ensures that the entire cycle of activity is seamless, and optimised so that we truly collaborate with the requisites of our industry partners.

We realise that as Indian aspirations grow, alongside the dreams of our future leaders, the academia and the industry have an ever-important cooperative role to play. Your inputs and feedback are highly appreciated, so that the delivery is even more attuned to the current trends and demands.

We are delighted to invite you to the placement season for the 2023-2024 academic year at our campus.

Jai Hind!

Our Recruiters

Our Recruiters

Our Recruiters

AND MANY MORE.....

Career Management Centre (CMC)

The Career Management Centre (CMC) is the Training, Placement & Industrial liaison unit within SFIMAR. We act as a Key Point of Contact (KPoC) between our highly diverse talent pool of students, alumni, and prospective employers. Our dedicated team ensures that the entire cycle of activity is seamless, and optimised so that we truly collaborate with the requisites of our industry partners. The process is designed to reflect the industry methodologies of campus hiring

The scope of partnership of the CMC with our industry partners could be enlisted as, but not limited to:

- **Level 1 Shortlist basis interests/ preferences of management graduates:**
 - ensures that the graduates are briefed on the requisites of the company, and the preferences are matched for.
- **Sharing of structured student resumes**
 - ensures that the document submitted provides adequate information appropriately, technically compatible for the employers' database/ systems and ease of navigation.
- **Interview coordination and communication**
 - ensures that a major workload of the process is appropriately shared between the employer resources and SFIMAR.
- **Tailored datasheets**
 - ensures the quick availability of data, in the requisite format.
- **Process facilitation**
 - ensures the seamless flow of the recruitment process, tailored according to the recruiter.
- **Infrastructure and resources support for In-Campus, Off-campus, and Online events**
 - SFIMAR state-of-the-art infrastructure can be advantageous and can assist the recruitment process for initial filters, PIs, tests etc.
- **Corporate Onboarding**
 - ensures the recruiter and the job role is adequately positioned to the aspirants before the actual recruitment cycle; employee brand building collaterals are shared, and if the need be, a group meeting arranged online/ offline for better delivery.
- **Compliance management**
 - ensures that the regulatory, governance mandates of both the recruiter and SFIMAR are adhered to

Why SFIMAR Management Graduates?

- **Diverse pool of talented graduates**
- **5 management specialisations (Finance, Marketing, HR, Operations & IT) to choose from**
- **Extensive Student Skill Development Programs**
- **Select list of tailored sessions in addition to curricular delivery**
- **Emphasis on experiential learning**
- **Exposure to Student driven co-curricular programs.**
- **Technical capability building**
- **Value driven approach to work & personal disposition allowing the right mix of aptitude and attitude.**
- **Excellent pool of academia**
- **More than 2 decades of track record delivery managing graduates to the industry.**
- **122 years of legacy imparting education to the society**

We would be glad to host your team/designate to discuss further about the campus recruitment schedules, internship and final placement processes, and specific requirements. Please feel free to connect with CMC team at placements@sfimar.org
